OUR PROMISE TO  
**COMPASSIONATE CARE**  
CONTINUES...

Dr. P. Vadamalayan was one of the few visionaries of the post-independence era who placed the nation over self and home. Healthcare being the cornerstone of a nation's health, he built the Vadamalayan Nursing home in 1957 which was inaugurated by the then Chief Minister of Tamil Nadu Thiru K Kamarajar. Personalised and customised healthcare has been the aim of the hospital since inception.

A super-speciality tertiary care hospital with 260 beds the hospital has branches in and around Madurai. Superb infrastructure, expert medical practitioners and support staff assure our patients a multi-dimensional protection. Our growth is a reflection of their confidence in us.
